THE STARTING POINT, INC.

The Starting Point, Inc. of NJ is a non-profit educational and referral center. The educational emphasis is on personal growth in the spirit of partnership. Our goals are holistic, integrative, and wellness oriented. To achieve these goals, we coordinate and facilitate many programs including appropriate referrals to counseling and psychotherapy, workshops, forums, Twelve-Step meetings, and weekend programs.

Starting Point is a non-profit, tax exempt organization that depends on fundraisers, such as the United Way, and private donations to continue our existence. The giving of donations is strongly encouraged as we strive to treat those in need. We believe that treatment should not be hindered by a lack of financial resources. For more information, visit us online at www.startingpoint.org
