CARES ACT: Reduce your
taxes in 2020 while helping
those in crisis.

The COVID-19 pandemic has had a tremendous impact on all of us and the families we serve are no exception. The CARES Act (Coronavirus Aid, Relief, and Economic Security) Act will allow you to make a transformative charitable gift while providing tax relief for your family. Donors must make a direct cash gift to a charity like The Starting Point (no donor advised funds) **before December 31, 2020** to offset your federal taxes.

For tax year 2020 a corporation may increase their limit on charitable deductions up to 25% of their taxable income (previously 10%) with a contribution to The Starting Point. Individuals itemizing can reduce or eliminate federal income taxes by giving cash donations **up to 100% of adjusted gross income for 2020!** Please contact your tax advisor to see how the CARES ACT impacts you.
